This Financial Services Guide (FSG) has been designed to assist you in deciding whether to use our services.

It describes the kinds of financial services we offer. It also contains general information about how we and others are remunerated in relation to those services, and information about how you may access our internal and external dispute resolution procedures. We trust it will assist you in deciding whether to use our services.

ABOUT MB INSURANCE GROUP

MB Insurance Group Pty Limited is an Australian Financial Services Licensee authorised to arrange, issue, vary and cancel general insurance products, give you general financial product advice in relation to general insurance, and provide claims handling and settling services. We have a binder with certain underwriters at Lloyd's to arrange comprehensive Motor Vehicle Insurance and provide claims handling and settling services on their behalf.

If we recommend an insurance policy to you, we will give you a Prestige Motor Vehicle Insurance Product Disclosure Statement and Policy Wording (PDS). The PDS will describe the significant features of the policy and will assist you to compare and make an informed choice before purchasing it. We have also prepared a Target Market Determination which describes the target market for our product and is available from our website.

Please note that any advice we provide is of a general nature only. It will not take into account your objectives, financial situation or personal needs. Accordingly before deciding to purchase any policy we suggest you should consider its appropriateness for your needs.

We have professional indemnity insurance in place which covers us, our employees and authorised representatives for any errors or mistakes relating to our insurance services. This insurance meets the requirements of the Corporations Act and meets claims relating to an employee or authorised representative even after they cease to be an employee or authorised representative, provided that the insurer is notified of the claim when it arises and this is done within the relevant policy period.

HOW WE ARE PAID

We receive commission of 26% of the premium (exclusive of government charges) for each policy we arrange. We receive our commission only after you pay the premium. We may also charge you a fee of up to \$250 per vehicle for arranging the insurance cover. The amount is based on the work needed to arrange your insurance and will be shown separately on any quotation that we give you.

We may also be paid a share of the underwriting profits earned by the insurer. This profit share is only payable to us if certain criteria and profitability targets are met based on contractual arrangements between us and the insurer.

The commission and fees pay our administrative cost of arranging your insurance and other expenses of providing services to you. These include marketing, underwriting, policy alterations, data entry, renewal invitation functions and claims handling including recoveries from third parties.

Our staff receive a salary and may also receive a bonus or incentive, depending on a number of factors including achievement of company goals.

If you have any concerns about our services, please first contact the person you have been dealing with. If they are unable to satisfy your concern, please ask to speak to the Compliance Manager who is obliged to ensure that any concerns you may have are resolved in a speedy and professional manner.
